RE: Access to Public Records Request

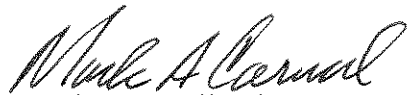

Dear Mr. Wieber,

This letter is in response to your request for records received by Sergeant Joe Watts of the Indiana State Police Department's (ISP's) Public Information Office seeking copies of documents relating to ISP's current or proposed use of aerial drones, UAs, UAVs, and UASs ("drones").

Currently ISP does not use drones for any purpose. Further, ISP has no plans to use drones in the foreseeable future, nor is the department evaluating drones for use. Therefore, ISP has no records responsive to your request.

If you have any additional questions or concerns, please contact me at the address above, by email at mcarnell@isp.IN.gov, or by telephone at 317-234-4217.

Sincerely,

Mark Carnell, Lieutenant
Legal Counsel
